

SpeakUp®

the misconduct communication platform

Anonymous dialogue | Cases overview & statistics | Extensive Case Management Module

Whether you are a big or small, public or private, local or international organisation: SpeakUp® will be the right & complete solution for enabling (anonymous) reporting and communicating with the reporter.

EASY

Eliminating barriers to report misconduct

- No waiting times: report in native language & reply in a matter of minutes
- Web & phone: global reach, supported by all devices, 24/7/365
- Integrated safe & audited translation process

SAFE

Highest security & privacy standards

- Anonymous dialogue and protection of the reporter's identity
- GDPR proof
- Annual penetration tests & high level encryption
- Assurances: ISAE3000 (ISO27001/2) & European Privacy Seal

COMPLETE

Not just a technical solution:

we provide a complete service

- Dedicated implementation team
- Advice on workflow, policies and effective communication
- Sharing best practices
